Invitation to Exhibit at STOMIN INDIA - 5th Exhibition on Stones and Technology

We hope this message finds you well. It is with great pleasure and excitement that we extend an invitation to you for the 5th edition of our exhibition, STOMIN INDIA, focussed on stones and technology. The event will take place in the vibrant and renowned marble hub of UDAIPUR, also known as TOURIST CITY.

Our former exhibitions (1st at Rajsamand, 2nd at Udaipur, 3rd at Rajsamand, 4rd at Rajsamand) have been resounding successes, drawing substantial footfalls from genuine businessmen and visitors alike. The feedback from previous exhibitors and attendees has been overwhelmingly positive, and we are confident that this year's event will surpass expectations.

We cordially invite you to showcase your products and services at STOMIN INDIA, providing you with an excellent platform to connect with potential clients, network with industry professionals, consumers (end users) and boost your business.

We look forward to your presence at STOMIN INDIA, contributing to yet another successful edition of our prestigious exhibition.

ABOUT THE ORGNISER : STONE HELPLINE CORPORATION

Stone Helpline Corporation stands as the driving force behind the STOMIN INDIA EXHIBITION, showcasing its prowess as a premier organizer in the realm of Stones and Technology events. As an affiliated entity of ARPIT PUBLICATIONS, a stalwart serving the Stone and Technology sector since 1998-99, Stone Helpline Corporation shares a rich lineage of expertise and commitment.

ARPIT PUBLICATIONS, renowned as the publisher of Stone World Magazine DECORATIVE STONES, has been a beacon of knowledge dissemination in the industry. Since 1998-99, the publication has delivered numerous Information Pages focusing on specialized sectors, presented Six Volumes of Floor Patterns Guides, and curated a plethora of other informative resources.

Stone Helpline Corporation, with a track record of excellence, has successfully orchestrated three noteworthy exhibitions for Stones and Technology. The inaugural event took place in Rajsamand (Oct 2017), followed by a second in Udaipur (Oct 2018), third in Rajsamand (Oct 2023), and a forth in Rajsamand (Dce. 2024). Each exhibition achieved remarkable success, leaving an indelible mark in terms of facilitating business opportunities for exhibitors and drawing significant footfalls from engaged visitors.

The Core Objectives

The core objective of STOMIN INDIA EXHIBITION is to elevate business prospects to new heights, offering a competitive edge in the market. The underlying concept is to forge a robust platform that encompasses the entire stone industry of India. Recognizing the global landscape, Stone Helpline Corporation holds the belief that where there is business potential, participation knows no bounds – a philosophy that extends to overseas buyers seeking valuable opportunities within the Indian industry.
